MERN

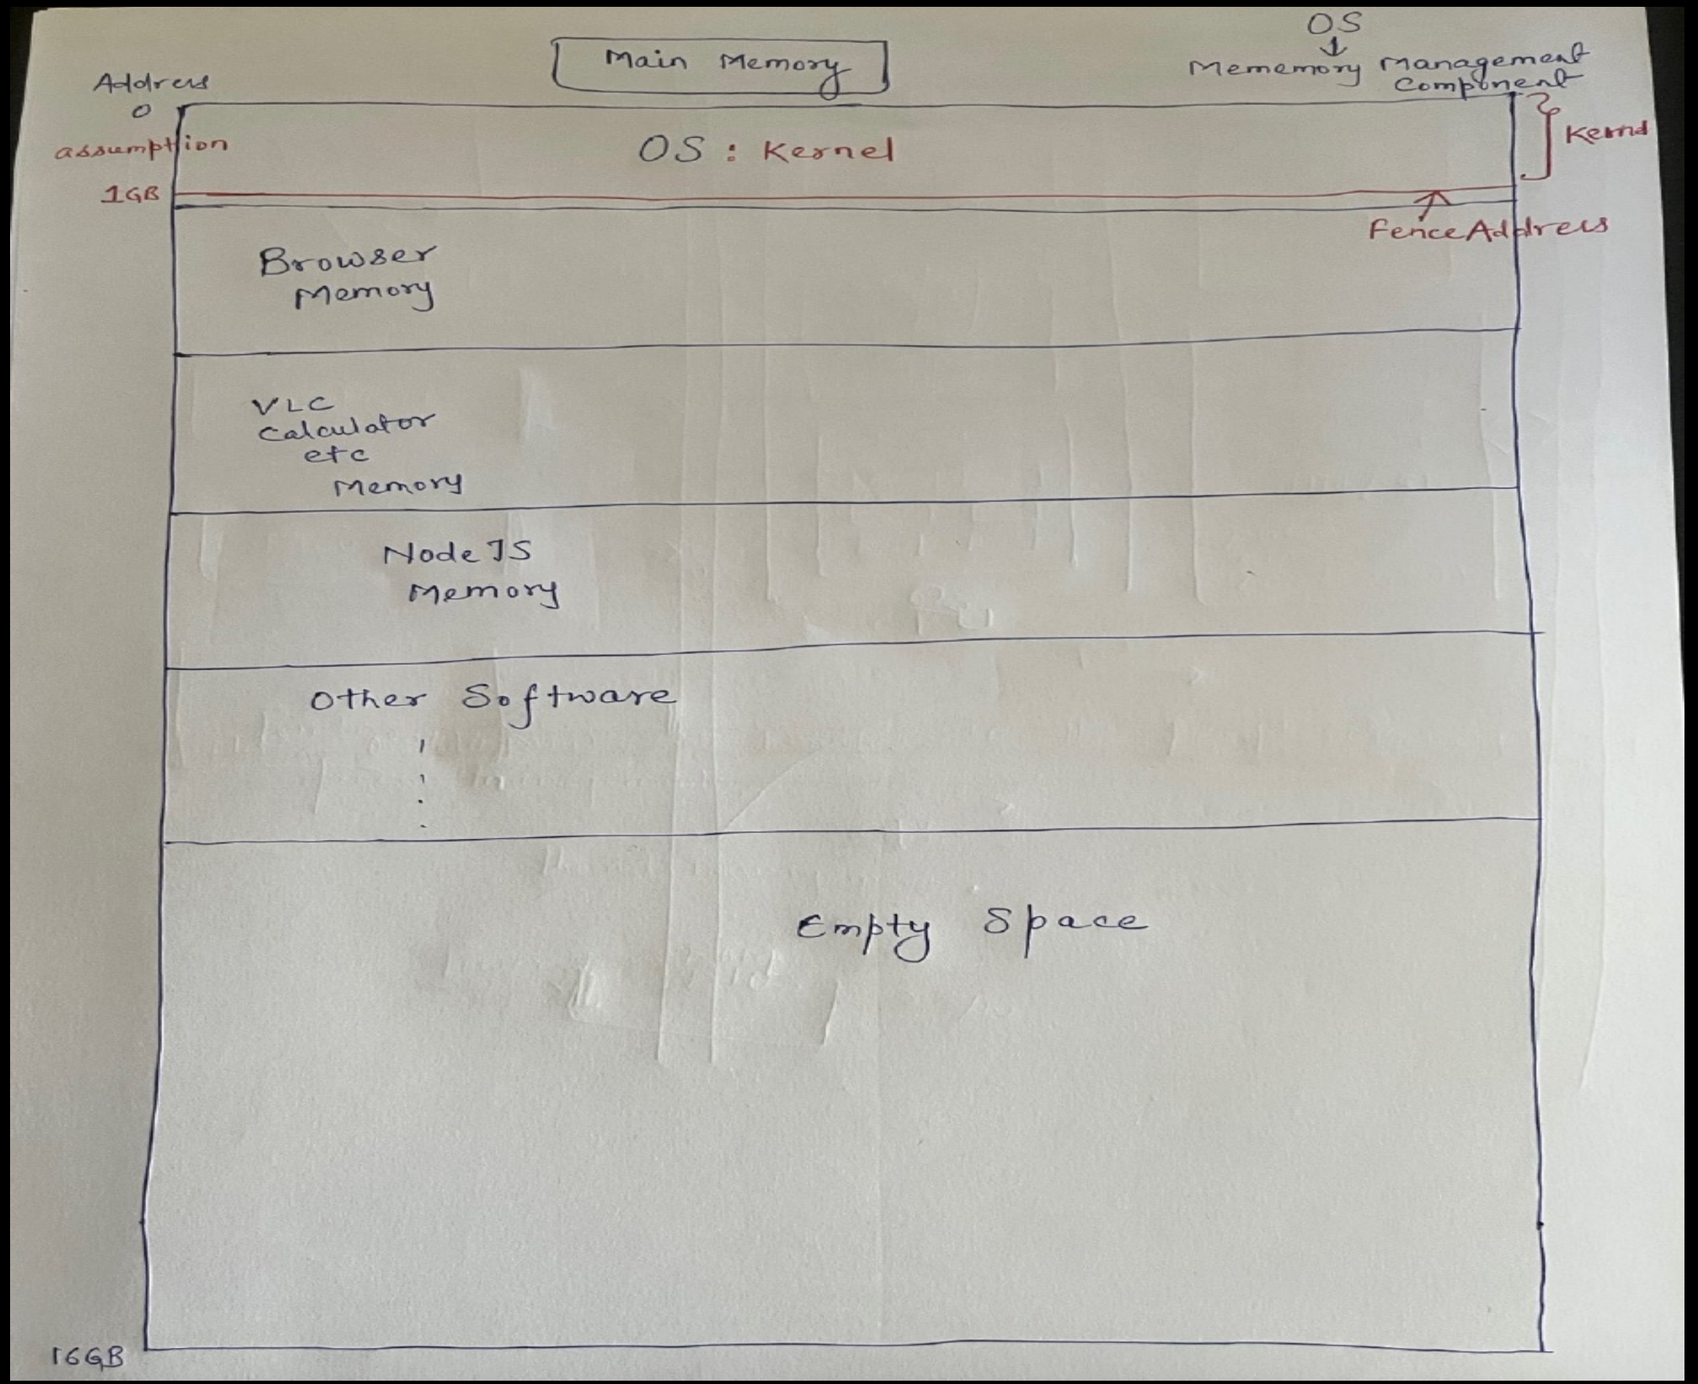

Introduction

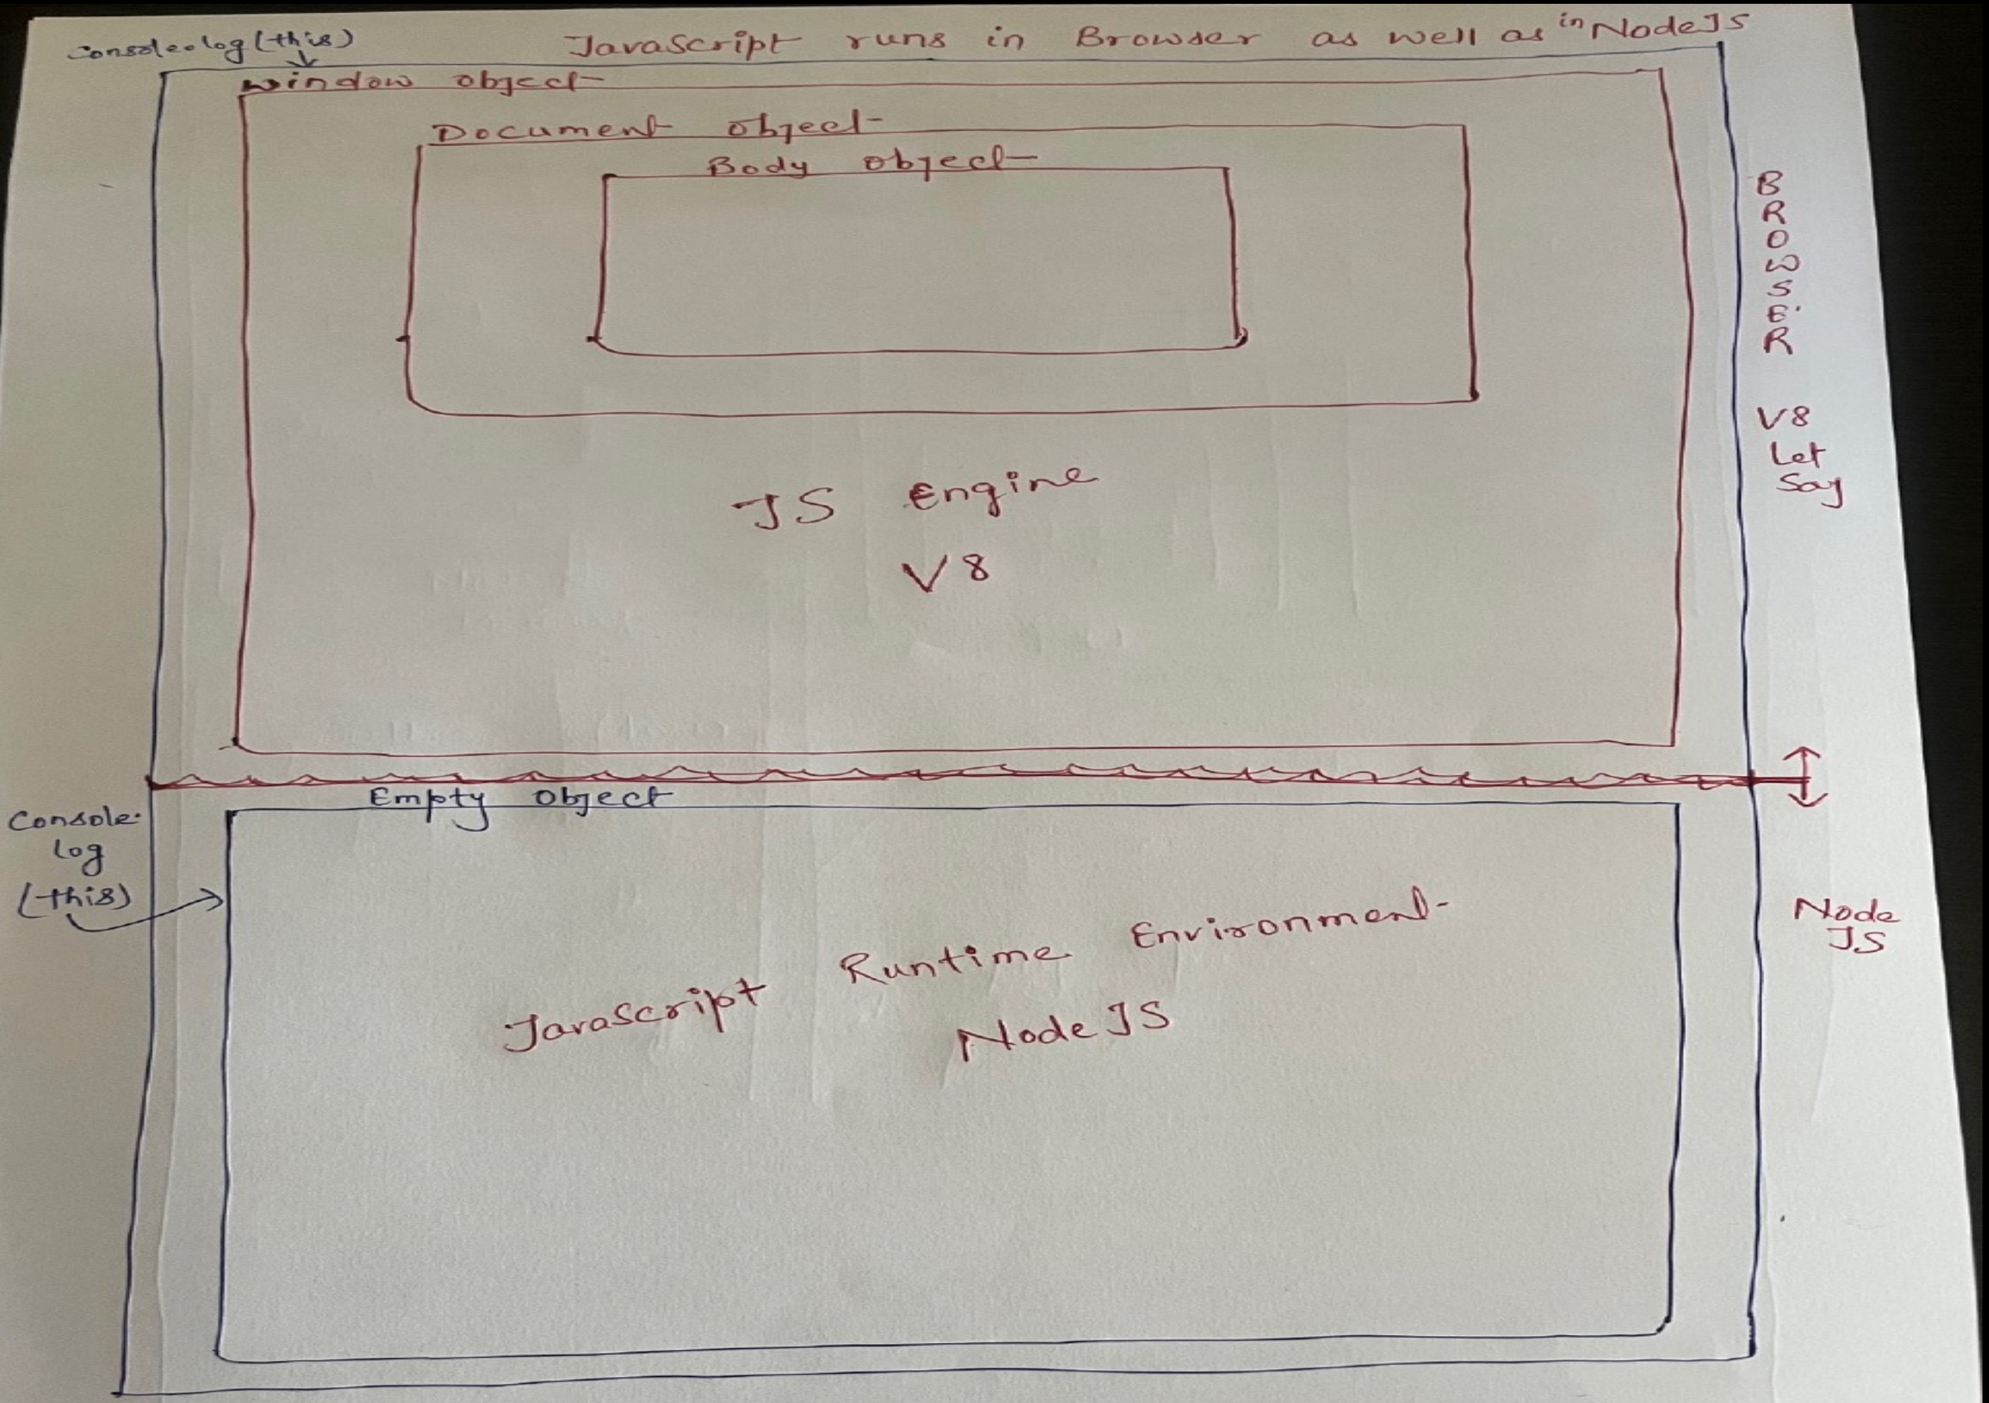

Lecture 1

Gaurav Raj

Note: OS (on RAM) will handle all the peripherals, Memory Management, process management, thread management.

Main Memory
OS
Mememory Management Component
Kernel
Address 0 assumption
1GB
OS : Kernel
FenceAddress
Browser Memory
VLC Calculator etc Memory
NodeJS Memory
Other Software
Empty Space
16GB

console.log(this)
JavaScript runs in Browser as well as in NodeJS
window object
Document object
Body object
JS Engine
V8
BROWSER
V8
Let
Say
Empty object
Console.
log
(this)
JavaScript Runtime Environment
NodeJS
Node
JS

Thank You
